

HOW TO ADD THE BEACHACCESS APPLICATION SHORTCUT TO YOUR MOBILE DEVICE HOME SCREEN

Apple iPhones:

Step 1: Open your Safari browser and navigate to the <http://gis.dhec.sc.gov/beachaccess> webpage.

Step 2: Tap the “Add”  button located at the bottom of your screen.

Step 3: A menu should be displayed in the Safari browser window. Select “Add to Home Screen” option.

Step 4: The “Add to Home Screen” should be displayed. This text is editable and can be changed. Type: “BEACHACCESS”.

Step 5: Select the “Add” button. Click on your iPhone's “Home” button to return to the Home Screen.

Step 6: The SC Beach Access icon will be displayed on your home screen.

Android Phones:

Step 1: Open your phone's web browser and navigate to the <http://gis.dhec.sc.gov/beachaccess> webpage.

Step 2: Tap the tools icon  or  on the Android menu bar typically located at the bottom of your screen.

Step 3: A menu toolset should be displayed over the browser window. Select “More” and “Add to Home” option.

Step 4: The SC Beach Access icon will be displayed on your home screen.

Windows Phones:

Step 1: Open your phone's web browser and navigate to the <http://gis.dhec.sc.gov/beachaccess> webpage.

Step 2: Tap on the three dot menu  icon at the bottom right. In the menu that appears, select "Pin to Start".

Step 3: This will pin the SC Beach Access shortcut to your home screen.

Blackberry Devices:

Step 1: Open your phone's web browser and navigate to the <http://gis.dhec.sc.gov/beachaccess> webpage.

Step 2: Press the “Add to Home Screen”  key.

Step 3: The SC Beach Access icon will be displayed on your home screen.

Apple iPads:

Step 1: Open your Safari browser and navigate to the <http://gis.dhec.sc.gov/beachaccess> webpage.

Step 2: Tap the “Add”  or “Bookmark”  button located at the top of your screen.

Step 3: A dropdown menu should be displayed over your Safari browser window. Select “Add to Home Screen” option.

Step 4: The “Add to Home Screen” should be displayed. This text is editable and can be changed. Type: “BEACHACCESS”.

Step 5: Select the “Add” button which will take you to iPad's Home Screen.

Step 6: The SC Beach Access icon will be displayed on your home screen.

For more information on how to add shortcuts and applications to your Smartphone, please refer to the Smartphone manufacturer documentation.
